**HONOURING THE LEGACY OF
DR. V.K. MAINI**

Dear Colleagues,

It gives us immense pleasure to welcome you to the Dr VK Maini Memorial Medicine Update 2026, being organised under the aegis of the Mohali Association of Physicians and Surgeons (MAPS) on 9th August 2026 at Radisson RED, Mohali.

This year's theme, **"From Cost to Value: The New Economics of Healthcare,"** focuses on one of the most important transformations in modern medicine—delivering better patient outcomes while ensuring sustainability, accessibility, and value-driven healthcare.

The conference aims to bring together distinguished faculty, practising physicians, healthcare leaders, and young clinicians for insightful discussions on emerging trends, evidence-based medicine, healthcare innovations, and the future of patient care.

As we commemorate the legacy of Dr V.K. Maini, we aspire to create a platform that fosters academic excellence, meaningful collaboration, and professional growth. Through expert lectures, panel discussions, and interactive sessions, participants will gain practical insights that can be translated into everyday clinical practice.

We warmly invite you to join us for a day of learning, networking, and inspiration, and we look forward to welcoming you to Mohali for this memorable academic gathering.

Warm Regards,
Organizing Committee
